Dear Noah,

It has been over a year since we launched the [GET URBAN](#) Tour program to promote Downtown LA as an ideal location for tech and creative companies. While we believe the program has been tremendously successful, we are seeking input on how to take it to the next level. As a past tour attendee, your feedback is particularly important.

For this reason, we are asking you to take 5-10 minutes to complete an online survey to help quantify the program's impact and its utility to our primary audience of prospective tenants and brokers.

We appreciate your assistance and your continued participation in GET URBAN.

Regards,

**Elan Shore**
